The parties understand and agree that the general state of the budget of the City and/or the Department will not be a factor in determining whether or not an employee's work merits an increase in salary.
- 5.1.5 Prior to the normal effective date of an employee's salary rate increase, the Department Head must file a statement with the Director of Human Resources that such employee's performance merits an increase in salary rate or a statement that the performance does not merit an increase and the reasons therefore.

If the parties are unable to agree upon the issue or issues, each party will prepare its statement of the issue or issues and jointly submit the separate statement of issue or issues to the arbitrator. At the beginning of the hearing referred to herein, the arbitrator shall determine what the issue or issues are.
- 12.6.3 The parties may mutually agree upon the selection of the arbitrator or shall jointly request the State of California Conciliation Service to provide a list of seven (7) persons qualified to act as arbitrators.

- 12.7.1 Although the grievances may be processed during normally scheduled working hours, the employee organization agrees that the time spent by its designated representatives shall be kept to a minimum and that no employee organization representative shall be entitled to any additional compensation or premium pay for any time spent in processing grievances outside such representative's regularly scheduled hours. The employee organization also agrees that it will not process grievances during periods of overtime.
- 12.7.2 Any grievance not filed or appealed within the time limits specified shall be considered settled on the basis of the last disposition given. In the event the grievance is not answered within the time limits set forth herein, either the employee or the appropriate employee organization representative may appeal the grievance to the next higher step within the time limits provided.
- 12.7.3 The employee organization agrees that it will not initiate or pursue any other avenue of redress on any matter properly within the scope of representation until the provisions of this Article, including arbitration, have been utilized.

Such leaves may be extended, not to exceed an additional 6 months, by written request of the employee subject to approval of the City Manager or designee. Written requests for an extension of a leave shall be submitted prior to the expiration of the leave.
- 13.2 Any leave granted pursuant to the provisions contained herein may be canceled by the appointing authority by notice in writing mailed to the employee at the employee's address on file in the Human Resources Department or such other address as the employee may designate. Such notice shall be by registered mail, return receipt requested and shall be mailed not later than thirty (30) days prior to the effective date of the cancellation of the leave. Failure of the employee to return to work on the first scheduled work day after the effective date of the cancellation, or on the first scheduled work day following the expiration of a leave, shall be considered a voluntary resignation unless the failure to return is due to extenuating circumstances beyond the control of the employee. Each employee who is granted a leave pursuant to the provisions of this Article shall, upon return from leave, be entitled to the position within the classification held by the employee at the time the leave commenced.
- 13.3 If the position to which an employee would otherwise be entitled pursuant to the above has been deleted from the department's budget during the term of the employee's leave of absence, the employee shall, upon return from leave, be entitled to a position within the classification held by the employee at the time the leave commenced, provided there is either a vacancy in such classification or an employee in the classification with less seniority whose duties the returning employee is qualified to perform.
- 13.4 The employee is responsible for coordinating their return to work following a leave of absence. Prior to returning from a leave of absence, the employee shall contact their supervisor to ensure that all necessary documents have been completed and steps taken.

- 13.7 Employees who have been separated from City service for failure to return from leave, or failure to report and whose failure is determined by the City to be the result of extenuating circumstances beyond their control shall be reinstated.

ARTICLE 14 LAYOFF

- 14.1 Order of Layoff. When one or more employees in the same class in a City department are to be laid off for lack of work, purposes of economy, curtailment of positions or other reason, the order of layoff shall be as follows:
- 14.1.1 Provisional employees in the order to be determined by the appointing authority.
 - 14.1.2 Probationary employees in the order to be determined by the appointing authority.
 - 14.1.3 Permanent employees in inverse order of seniority within the classification being reduced, or in a higher class.
 - 14.1.3.1 Permanent employees shall be given every opportunity for transfer to other departments when layoff is pending.
- 14.2 Notice of Layoff. Employees subject to the provisions of this Article shall, wherever possible, be given at least thirty (30) calendar days notice in writing prior to the effective date of layoff. The appropriate employee organizations shall receive concurrent notice, and upon written request within seven (7) calendar days after the notice is given shall be afforded an opportunity to meet with the appropriate City representatives to discuss the circumstances necessitating the layoff and any proposed alternatives to such layoff.
- 14.3 Reassignment in Lieu of Layoff. In the event of layoff, any employee so affected may elect to:
- 14.3.1 Accept a position in a lateral or lower class in which he/she has previously served, or a position in a lateral or lower class within the series containing the class from which the employee is being laid off, provided the employee is otherwise qualified and is more senior than the least senior employee in such lateral or lower class.

- 14.3.2 Accept a vacant position in a lateral or lower class for which the employee has the necessary education, experience, and training as determined by the Director of Human Resources or designee. An employee may also accept a vacant position in a higher class provided the employee has held permanent status in such higher class and further provided that the employee's removal from the higher class was voluntary and occurred during the employee's most recent period of employment. Adverse decisions of the Director of Human Resources regarding necessary education, experience, and training shall be subject to the grievance procedure, including arbitration. The employee may file the grievance at Step III within ten (10) working days of the date of being notified of the adverse decision.
- 14.3.3 Any employee entitled to an option noted above, which involves assignment to a lower classification, may elect to be placed on layoff in lieu of accepting such assignment to the lower class. In the event the employee elects to be placed on layoff, such employee will only be recalled to the classification from which the employee elected to be placed on layoff or to any higher classification to which the employee may be entitled pursuant to the provisions of this Article.
- 14.4 As used in this Article, the following words and phrases shall be defined as follows:
- 14.4.1 Except as otherwise provided in part 14.3 above, seniority shall be defined as the length of continuous paid employment within any permanent class or classes within the classified service of the City. Seniority shall be retained but shall not accrue during any period of leave without pay, except for authorized military leave.
- 14.4.2 A lower class shall mean a class with a lower salary range.
- 14.4.3 A position in a lateral class shall mean a position in a class with the same salary range.
- 14.4.4 A position in a higher class shall mean a position in a class with a higher salary range.
- 14.5 Except as otherwise provided herein, no employee shall be entitled to a position in a higher class as a result of the application of the provisions of this Article.
- 14.6 Layoff Reinstatement Eligible List
- 14.6.1 The names of such persons who are laid off or who elect reassignment in lieu of layoff in accordance with the provisions of Part 14.3 of this Article shall be placed upon a Reinstatement Eligible List in inverse order of seniority i.e., the person with the greatest seniority on the Reinstatement Eligible List for the classes affected shall be offered reinstatement when a vacancy exists in the affected class. In the event the person refuses the offer of reinstatement, such person's name shall be removed from the Reinstatement Eligible List unless

such person has reinstatement rights under the provisions of this Article to a higher class than the one in which the reinstatement is being refused.

- 14.6.2 In the event an employee accepts reinstatement to a lower class to which the employee is entitled, such person's name shall remain on the Reinstatement Eligible List for reinstatement to a lateral class provided such person, except for lack of seniority, would have been otherwise entitled to such lateral class at the time of the most recent layoff.
- 14.6.3 Any person who is reinstated to a class which is the highest class to which they would have been entitled at the time of the layoff shall have their name removed from the Reinstatement Eligible List.
- 14.6.4 In the event a person on layoff cannot be contacted by the City through usual and customary channels within ten (10) working days, such person's name shall be removed from the Reinstatement Eligible List, providing, however, that such person within the three year period specified herein may request that their name be replaced on the Reinstatement Eligible List and such person's name may, in the sole discretion of the Director of Human Resources, be returned to the Reinstatement Eligible List.
- 14.6.5 In no event shall the names of any person laid off pursuant to the provisions of this Article remain on a Reinstatement Eligible List for a period longer than three years from the effective date of such person's most recent layoff.
- 14.7 Upon reinstatement to any classification to which the employee is entitled pursuant to the provisions of this Article, all benefits acquired by the employee prior to layoff shall also be reinstated. An employee shall not receive credit for time spent on layoff in computing time for any benefit entitlement.

ARTICLE 15 BULLETIN BOARDS

- 15.2 Subject to the provisions contained herein, the following types of employee organization notices and announcements listed below may be posted on the bulletin boards:
 - 15.2.1 Meetings, elections, welfare, recreational and social affairs and such other notices as may be mutually agreed upon between the employee organization and the Municipal Employee Relations Officer or designee.

- 15.4 The Municipal Employee Relations Officer or designee shall notify the employee organization of any material ordered removed. The employee organization shall be given the opportunity to revise the material to delete the objectionable section or sections.
- 15.5 The City reserves the right to determine where the bulletin boards shall be placed and what portion of such bulletin boards are to be allocated to employee organizations.
- 15.6 Failure of the employee organization to abide by the provisions of this Article shall result in the forfeiture of the employee organization's right to have materials posted on City bulletin boards. The City agrees it will not exercise its rights provided herein in an arbitrary and capricious manner.

ARTICLE 16 HOLIDAYS

- 16.1 Except as hereinafter otherwise provided, each full-time employee shall be entitled to paid holiday leave on each of the following holidays as observed, and on no other day, during the term of this Agreement:

New Years Day	Columbus Day
Martin Luther King Day	Veterans Day
President's Day	Thanksgiving Day
Memorial Day	Day After Thanksgiving
Independence Day	Christmas Eve Day
Labor Day	Christmas Day
Cesar Chavez Day	New Year's Eve Day

- 16.2 Eligible full-time employees shall also be entitled to paid holiday leave on any other day proclaimed or designated by the Council of the City of San Jose as a holiday for which full-time employees will be entitled to holiday leave. Should additional holidays be provided or should an existing holiday be traded for a different holiday observance for other represented employees on a Citywide basis, such additional holidays or trades shall apply to employees in this unit.
- 16.3 Except as otherwise designated, any holiday specified herein, including any other day proclaimed or designated by the City Council as a holiday for which full-time employees are entitled to holiday leave, which falls on a Sunday shall be observed for purposes of this Article on the following Monday. Such holidays which fall on a Saturday shall be so observed on the proceeding Friday.
- 16.4 Except as otherwise provided, no such full-time employee shall be required to work on any of said holidays provided, however, that subject to regulation and control by the City Manager, the director or designee of any department of the City government may specify the days of the week and the hours of such days when any such employee in their department or under their jurisdiction shall be required to work, and may require any such employee to work on any or all of said holidays. Each full-time employee who is required to work on any or all of said holidays shall receive the salary that he would be

entitled to for that day at the employee's regular rate of pay, and in addition thereto, the employee shall receive compensatory timeoff duty equal to one and one-half (1-1/2) times the number of hours which the employee works on said holiday.

16.4.1 Said compensatory time off duty shall be credited to such employee in accordance with Article 6, Subsection 6.7 of this Agreement provided, however, that upon written request by the employee to the Department Director or designee, within not more than thirty (30) calendar days after the holiday when such compensatory time was earned, such employee shall receive and be given, in addition to the employee's regular pay for such holiday and in lieu of such compensatory time off, such additional compensation as shall equal the number of hours of compensatory time credited to the employee multiplied by the employee's equivalent hourly rate.

16.4.2 The compensation above provided to any employee who may be required to work on any or all of said holidays shall be inclusive of any overtime compensation or other benefits to which such employee may be entitled under the provisions of any other ordinance or resolution of the City of San Jose or other applicable law, and not in addition thereto.

16.5 If any of said holidays falls on a full-time employee's regular day off, during which the employee is not required to work, such employee shall be entitled to compensatory time off duty equal to the number of regularly scheduled hours which the employee works during their assigned work day. Said compensatory time off duty shall be credited to such employee in accordance with Article 6, Subsection 6.7 of this Agreement; provided, however, that upon written request by the employee to the Department Head or designee, within not more than thirty (30) calendar days after the holiday when such compensatory time was earned, such employee shall receive and be given, in lieu of such compensatory time off, such additional compensation as shall equal the number of hours of compensatory time credited to the employee multiplied by the employee's equivalent hourly rate.

16.6 The parties recognize that the construction industry does not necessarily observe the same holidays as the City and that it may therefore be desirable to have employees work on days normally designated as holidays for the City. Thus, notwithstanding any provision of this Article to the contrary, if an employee and the Department Director or designee mutually agree in advance of any holiday that it is desirable for purposes of workload management to permit said employee to work on a day designated as a holiday in section 16.1 of this Article, the employee may work and be paid at their regular rate of pay. Furthermore, in lieu of any holiday premiums provided elsewhere in this Article for work on such holiday the employee shall schedule a different, regularly scheduled work day to be on leave with full pay at the employee's regular rate of pay, provided that such scheduling shall be done in advance of said regularly scheduled work day and shall be subject to the approval of the Department Director or designee.

the event of a holiday closure and with approval of the Department Director or designee, employees may take time off during the closure period, but taking time off shall not be a requirement.

16.7.1 Employees electing to take time off during a holiday closure may choose to take vacation, compensatory time, personal leave or lost time during the closure period. Employees who take lost time during the closure shall continue to receive the following accruals: vacation, sick leave, citywide seniority and department seniority. Eligible employees who have been employed by the City for less than thirteen (13) bi-weekly pay periods may use available vacation during the closure.

ARTICLE 17 VACATION AND PERSONAL LEAVE

17.1 Vacation Accrual Rates. Each eligible full-time employee, who has been employed as such for at least thirteen (13) bi-weekly pay periods, shall accrue a leave of absence with full pay for vacation purposes, pursuant to the provisions of Resolution No. 51872, or amendments thereto. An employee shall be entitled to accrue vacation leave in the amount specified below for each cycle of 26 full biweekly pay periods immediately preceding December 31st, or portion thereof, in each year of their employment as specified below:

Years of Service	Hours of Vacation per 26 Pay Period Cycle
First 5 years	80 hours
6th year – 10th year	120 hours
11th year – 12th year	136 hours
13th year – 14th year	152 hours
15th year or more	168 hours

17.2 Carry-Over of Vacation Leave. An employee may carry over to the next subsequent cycle of 26 biweekly pay periods, not more than 200 hours of unused vacation leave, together with any earned vacation leave which the employee is prevented from using in the former cycle, during which it is accrued, because of service-connected disability. An employee carrying-over greater than the maximum allowable vacation hours shall have the excess amount deducted from the following year's accrual unless approved in advance by Employee Relations.

17.3 Reimbursement for Unearned Vacation Leave. If the employment of any full-time employee should cease and if the employee has taken more vacation leave than the employee had accrued at the time of termination of their employment, there shall be deducted from the employee's final pay, or the employee shall refund to the City such pay as the employee shall have received for vacation leave theretofore taken by the employee.

17.3.1 The provisions of Subsection 17.3 shall not apply to any full-time employee whose employment by the City is terminated by reason of their death, or their

entry into active duty with any of the Armed Forces of the United States that is reasonably likely to exceed one (1) year in duration.

- 17.4 Payment for Unused Accrued Vacation Leave Upon Termination of Employment. If the employment by the City of any full-time employee should cease, the employee shall be given, at the time of such termination, full pay for any vacation leave which the employee may then have accrued.
- 17.5 Vacation Pay. If, in the judgment of the City Manager or designee, it is desirable by reason of a shortage of staffing or increased volume of work, to permit any full-time employee to work for the City during the time ordinarily allocated to such employee for vacation purposes, the City Manager or designee may authorize such work. An employee who elects to perform such additional work shall be entitled to receive as additional compensation for such work an amount of money equal to their regular pay for such hours of work if such were not rendered during vacation leave, or, in lieu thereof, the employee may file an election in writing with the Office of Employee Relations to carry over such leave to the subsequent cycle of 26 biweekly pay periods.
- 17.6 Vacation Leave. Any and all leaves granted pursuant to this Article shall be granted at such time or times as will not reduce the number of employees below that which is reasonably necessary for the efficient conduct of the public business of such department, except no employee who is authorized to take a leave for vacation purposes shall be required to commence such leave at a time other than the beginning of a work week, unless the employee elects or consents to commence such leave at another and different time.
- 17.6.1 Subject to the above provisions, preference of vacation leave timing in any calendar year shall be determined as follows:
- 17.6.1.1 In the absence of conflict, the work unit may determine the method for scheduling vacations. Should a conflict arise, preference of vacation leave timing shall be given in order of seniority, except that pre-approved vacation shall be honored, subject to operational requirements. For purposes of this section, seniority shall be determined first by length of time served in the department, and, then, by time served in the City.
- 17.7 Computation of Vacation Leave
- 17.7.1 For purposes of this Article, paid leave of absence from duty by reason of sick leave, holiday leave, vacation leave, disability leave, compensatory time-off, or any other paid leave, shall be deemed to be "time worked."
- 17.7.2 Prior periods of employment shall be credited to the employee for purposes of determining vacation eligibility provided that during each such prior employment period, the employee achieved permanent status. An employee in an initial probationary status shall not be permitted to take a vacation during the first 13 pay periods of employment even though such employee may, upon

satisfactory completion of the initial probationary period be entitled to additional vacation pursuant to the above.

- 17.8 Personal Leave. Each full time employee shall be entitled to a maximum of sixteen (16) hours of Personal Leave per payroll calendar year. Such leave may be scheduled in one-half hour increments at any time, subject to approval of the supervisor. Personal Leave is not accrued. Any such leave not taken by the date of termination for employees terminating during the year, or by the end of the last pay period in the calendar year for other employees, shall not be paid out nor carried over to subsequent years.

- 17.8.1 Employees hired on or after October 27, 2001 , shall be entitled to only eight (8) hours of personal leave in the first payroll calendar year of employment.

The provisions of this section related to the use of sick leave for the care related to the illness or injury of the employee's family members as defined above shall expire at the end of the term of this Agreement. In the negotiations for a successor Agreement, the parties shall review and evaluate the appropriateness of this benefit.

- 18.1.3.1 Anything in this Article to the contrary notwithstanding, an employee who, pursuant to the provisions of Article 19 of this Agreement, has been receiving temporary disability leave compensation and who has received the maximum allowable amount of such compensation pursuant to Article 19, and who is entitled to

Workers' Compensation temporary disability benefits, shall be permitted to utilize accrued sick leave subject to the following restrictions: Sick leave shall be utilized in one-half (1/2) hour increments, but in no event shall an employee receive an amount, including any Workers' Compensation temporary disability compensation, in excess of 85% of such employee's regular base pay.

18.1.3.2 If an employee is required to be absent from work on account of job-related illness or injury and no benefit is provided pursuant to Article 19 - Disability Leave, the employee may utilize accrued sick leave.

The provisions of this section related to the use of sick leave for the care related to the illness or injury of the employee's family members as defined above shall expire at the end of the term of this Agreement. In the negotiations for a successor Agreement, the parties shall review and evaluate the appropriateness of this benefit.

18.1.4 Except as otherwise provided by resolution of the City Council, paid sick leave shall not be allowed for any absence from work occasioned by intoxication, chronic alcoholism or use of narcotics not prescribed by a licensed physician.

18.1.5 No employee shall be entitled to or be granted sick leave, either with or without pay, unless he, or someone on his or her behalf, notifies the employee's immediate superior, Department Director, Director of Human Resources or designee, of the employee's intent to take such sick leave, and of the reasons therefore, prior to or within one (1) hour after the commencement of the sick leave provided, however, that the City Manager or designee may waive the requirement of such notice upon presentation of a reasonable excuse of such employee.

18.2.4 Death of Terminated Employee

The estate of any full-time employee who:

- 18.2.4.1 had terminated service with the City but had retained vesting rights in a retirement system according to provisions in the SJMC, and

18.2.4.2 dies prior to becoming eligible for retirement allowances as cited under provisions of the SJMC, and

18.2.4.3 has at the time of death credit for at least fifteen (15) years of service in the applicable retirement plan.

18.3 Payout shall be determined as follows:

18.3.1 If an eligible full-time employee, as defined in subsection 18.2 above, at the time of their retirement or death has earned, unused sick leave hours, the employee shall be paid the equivalent of a specified percent of their hourly rate of pay at the time of retirement, termination or death, whichever comes first, multiplied by the total number of the employee's accumulated and unused hours of sick leave as of the date of the employee's retirement or death.

18.3.2 Less than 400 hours: Hours accumulated x 50% of final hourly rate

400 - 799 hours: Hours accumulated x 60% of final hourly rate

800 - 1200 hours: Hours accumulated x 75% of final hourly rate

18.4 Use of previously accumulated sick leave hours:

For purposes of determining the total number of accumulated and unused hours of sick leave of a full-time employee at the time of the employee's retirement or death, unused sick leave from prior periods of employment with the City shall be used. ARTICLE 19 DISABILITY LEAVE

19.1 Disability Leave. Disability Leave Supplement (DLS) is the benefit provided pursuant to this Article, which, when added to Worker's Compensation Temporary Disability (WCTD) results in providing employees 85% of their regular base salary.

19.2 Eligibility for Disability Leave Supplement. A full-time employee required to be absent from work due to a job-related injury or industrial illness who receives WCTD payments pursuant to Division I or Division 4 of the California Labor Code is eligible for DLS, excluding ineligible causes listed in section 19.4. In the event an employee is not eligible for WCTD payments because of the statutory waiting period, DLS shall not be paid for such a waiting period. The employee may use sick leave to cover the waiting period.

19.2.1 After the initial three day waiting period has been met, and the employee otherwise qualifies for DLS, the employee may utilize DLS for absences required for medical visits related to the injury after his/her return to work if he/she is unable to schedule such visits on non-work hours. DLS for such intermittent

absences is subject to authorization by the Worker's Compensation Section. In no event may DLS exceed the limit specified in 19.6.

- 19.3 Eligibility for Disability Leave Supplement Linked to Temporary Disability. If the Worker's Compensation Appeals Board of the State of California or any judicial court should determine that the employee is not entitled to Temporary Disability (WCTD) compensation, the employee shall not be entitled to Disability Leave Supplement (DLS) benefits. Under such circumstances, any DLS moneys paid to the employee by the City must be returned to the City within one year.
- 19.4 Ineligible Causes for Disability Leave. An employee shall not be eligible for disability leave, and shall not receive DLS if the injury or illness that causes the absence results from an act of gross negligence of such employee; and/or any work voluntarily undertaken by employee from which he has been prohibited from engaging in as determined by a City physician, prior to the date of injury.
- 19.5 Ineligibility if Offer and Decline of Modified Duty. DLS shall not be provided if the City offers the employee employment at identical or similar salary, within the employee's medical limitations, and the employee refuses or fails to accept duty for which the employee is physically qualified.
- 19.6 Maximum Term of Disability Leave Supplement. The employee will receive DLS benefits equal to the amount of money which, when added to the WCTD equals 85% of what the employee would have earned at the position from which the employee is disabled for one of the following time periods, whichever is shortest:
1. The time the employee is medically required to be absent due to a work-related injury or illness, after the required 3-day waiting period.
 2. The period of time WCTD is payable to the employee under the Workers' Compensation provisions of Division 1 or Division 4 of the Labor Code of the State of California.
 3. One calendar year (365 days or 2080 hours if not continually absent) following the date of injury.
- 19.6.1 Time Limit for DLS Eligibility. After 2080 hours of DLS, the employee is entitled to no additional compensation for the injury or illness. No employee shall be eligible for DLS 5 years after the date of the onset of the injury or illness for which the employee is claiming DLS.
- 19.7 Disability Leave Supplement is in Lieu of Regular Compensation. Employees who receive WCTD and DLS compensation do not receive their regular salary. DLS as described in this Article is in lieu of regular compensation.
- 19.8 Requirement of Evidence Proving Temporary Disability. The Director of Finance, or designee, is responsible for determining eligibility for DLS. In making this determination, the Director may require the employee to provide proof of injury or

illness, proof that the injury or illness will last, and proof of other relevant matters as determined by the Director, or designee. The Director, or designee, may require the employee to submit to a medical examination by a physician selected by the City.

- 19.9 Termination of Disability Leave. An employee who is unable to return to full time regular duty following the expiration of any and all leave provided in this Article and the integration of Sick Leave as provided in Article 18.1.3.1, and of accrued vacation, and compensatory time off, with Workers' Compensation may be considered to have separated from City service.

19.9.1 An employee who exhausts all Disability Leave shall be notified that they are subject to the above provision upon expiration of all remaining paid leave.

ARTICLE 20 MAINTENANCE OF MEMBERSHIP

- 20.1 Except as otherwise provided herein, each employee who, on October 27, 2001 is a member in good standing of the Organization shall thereafter, as a condition of employment, maintain such membership for the duration of this Agreement, to the extent of paying the periodic dues uniformly required by the Organization as a condition of retaining membership.
- 20.2 Any employee who, on October 27, 2001 , is not a member of the Organization nor any person who becomes an employee after October 27, 2001, shall not be required to become a member as a condition of employment. Any such employee who thereafter becomes a member of the Organization shall thereafter maintain such membership for the duration of the Agreement except as otherwise provided herein.
- 20.3 Any employee who, on October 27, 2001, was a member of the Organization, and any employee who subsequently becomes a member may, during the period September 22, 2004 to October 22, 2004, resign such membership and thereafter shall not be required to join as a condition of employment. Resignations shall be in writing addressed to the City's Municipal Employee Relations Officer or designee with a copy to the Organization.
- 20.4 The Organization shall indemnify the City and hold it harmless against any and all suits, claims, demands and liabilities that may arise out of or by reason of the application of or implementation of the provisions of this Article.

ARTICLE 21 AUTHORIZED REPRESENTATIVES

- 21.1 For purposes of administering the terms and provisions of the various ordinances, resolutions, rules and regulations adopted pursuant to this Memorandum of Agreement:
- 21.1.1 Management's principal authorized agent shall be the Municipal Employee Relations Officer, or duly authorized representative except where a particular Management representative is otherwise designated.

- 21.1.2 The Employee Organization's principal authorized agent shall be the President, or duly authorized representative.

ARTICLE 22 SEPARABILITY

Notwithstanding any other provisions of this Agreement to the contrary, in the event that any Article, or subsections thereof, of this Agreement shall be declared invalid by any court of competent jurisdiction, or by any applicable State or Federal law or regulation, or should a decision by any court of competent jurisdiction or any applicable State or Federal law or regulation diminish the benefits provided by this Agreement, or impose additional obligation on the City, the parties shall meet and confer on the Article or subsections thereof affected. In such event, all other provisions of this Agreement not affected shall continue in full force and effect.

ARTICLE 23 BEREAVEMENT LEAVE

- 23.1 Each full time employee shall be granted bereavement leave with full pay for up to 40 work hours to attend to the customary obligations arising from the death of any of the following relatives of such employee or employee's spouse or employee's domestic partner. All leave must be used within 14 calendar days following the death of an eligible person.

- a) Parents/Step-parents
- b) Spouse
- c) Child/Step-child
- d) Brother/Sister/Step-brother/Step-sister/Half-brother and Half-sister
- e) Grandparents/Step-grandparents
- f) Great grandparents/Step-great grandparents
- g) Grandchildren
- h) Sister-in-law/Brother-in-law/Daughter-in-law/Son-in-law

- 23.1.1 A domestic partner, as referenced in Section 10.5, must be the domestic partner registered with the Department of Human Resources.
- 23.2 Anything herein above to the contrary notwithstanding, no such employee shall be granted bereavement leave in the event of the death of any of the above relatives, if such employee is not scheduled to work when such bereavement leave is required.

ARTICLE 24 RETIREMENT

- 24.1 Current retirement benefits will continue during the term of this Agreement, except as described herein, and shall be set forth in the Municipal Code.

- 24.1.1 Disability retirement benefit amounts will be offset by workers' compensation payments, except for survivorship benefits and permanent disability payments for retirees receiving a 100% permanent disability rating.
- 24.1.2 Administrative costs of the Federated Retirement System are to be paid from the retirement fund.

ARTICLE 25 PROBATIONARY PERIODS

- 25.1 Probationary periods shall not be less than six (6) or twelve (12) months of actual service as determined by the Civil Service Commission. Actual service shall mean regular hours worked, paid holidays and up to 80 hours of other cumulative or consecutive paid or unpaid absences.
- 25.2 The City may at its discretion extend up to a maximum of three (3) months, the probationary period of an employee appointed to a supervising position in this unit. The employee will be notified in writing of the length and reason of the extension.

ARTICLE 26 DISCIPLINARY ACTION

- 26.1 Step Reduction: In addition to other formal disciplinary actions, the appointing authority may reduce an employee's salary step. The salary may be reduced to no lower than step one of the five-step salary range, and the term of the salary reduction will be specified in the notice of intended discipline. The salary may be reduced either for a specified period of time or until the condition which caused the salary reduction has been corrected. The employee may appeal this action to the Civil Service Commission according to the same rules as apply to other formal disciplinary appeals.

ARTICLE 27 PERFORMANCE EVALUATION

- 27.1 The purpose of performance evaluations is to have formal communication between supervisor and employee regarding job performance.
- 27.2 In the event that an employee's performance appears to need improvement, the supervisor should immediately acknowledge the problems in informal or documented oral counseling sessions. Counseling should be separate from normal worksite dialogue and should occur as close in time to the event or problem as possible. It is not in either the City's or the employee's interest to have the feedback delayed until the time of the annual performance evaluation.
 - 27.2.1 Documentation of oral counseling should be given to the employee at the time of the counseling and will not be placed in the employee's official department or City personnel file. This documentation will include specific suggestions for corrective action, if appropriate.

27.3 If the employee formally receives an overall performance rating that is below "meets standard," the employee may appeal the rating. Such appeal shall be made to the Department Head or designee. If the employee is dissatisfied with the decision of the department head, the employee may request a hearing with the City Manager or designated representative. Such request shall be in writing and shall include the reason(s) the employee is not satisfied with the decisions previously rendered.

27.3.1 The City Manager or designated representative shall hold a hearing within a reasonable time, and within ten days of the hearing shall inform the employee of the decision. The decision of the City Manager shall be final. This will be the only appeal process applicable to review performance appraisal. The employee shall have the right to union representation at the hearing with the Department Head and/or the City Manager or designee.

ARTICLE 28 EMPLOYEE ASSISTANCE REFERRAL

28.1 Performance problems are sometimes related to personal or work-related problems which may be improved through the Employee Assistance Program (EAP). Therefore, if a supervisor believes that an employee's work performance is impaired and can be improved through the EAP, a supervisor, with department director approval, may require the employee to attend an initial screening session with the Employee Assistance Program.

28.2 The employee shall receive paid release time to attend the initial appointment and must provide proof of attendance. Failure to attend or to provide proof of such attendance may subject the employee to disciplinary action. Actual results of the initial screening shall be subject to normal confidentiality provisions, unless the employee voluntarily signs a release of information form. The employee's decision to attend or not attend follow-up sessions shall be voluntary. Follow-up sessions shall be on the employee's own time.

28.3 Nothing in this article shall preclude an employee voluntarily agreeing to different conditions as part of a disciplinary settlement agreement.

ARTICLE 29 CATASTROPHIC ILLNESS/INJURY TIME DONATION

29.1 Policy Statement. This provision is designed to assist an employee who has exhausted paid leave time due to a critical medical condition of the employee or an eligible family member. This provision allows other employees to donate leave in accordance with the following terms so an employee may continue in a paid status with the City for a longer period of time.

29.2 Definitions. For purposes of this article the following definitions shall be used.

29.3 Eligible Employee. A full or part-time benefited employee.

- 29.4 Eligible Family Member. 1) A legal spouse. 2) A person under 18 years of age, or a person incapable of self-care because of a physical or mental disability who is a biological, adopted, foster or step child, or a ward of the employee. 3) A person for whom the employee is charged with a parent's legal rights duties and responsibilities.
- 29.5 Catastrophic Illness or Injury. A critical medical condition considered to be life threatening, terminal, or a long-term major physical impairment or disability.
- 29.6 Employee Catastrophic Illness or Injury Leave Donation. An eligible employee may receive donations of accrued vacation and/or compensatory time which shall be converted to sick leave and added to the employee's sick leave balance if the employee has suffered a non-job related catastrophic illness or injury which prevents the employee from being able to work.
- 29.7 Care For Eligible Family Member. An eligible employee may receive donations of accrued vacation and/or compensatory time which shall be converted to sick leave and added to the employee's sick leave balance if the employee is required to be absent from work to care for an eligible family member who has a catastrophic illness.
- 29.8 Eligibility for Donated Leave. To be eligible to receive donated paid leave, the recipient employee's illness or injury, or necessary care of an eligible family member, must require the employee to be absent for a minimum of 30 consecutive calendar days, or 30 cumulative work days within the six previous months. The recipient employee must have exhausted all available paid leave prior to using donated leave, however, the request may be initiated prior to the anticipated date leave balances will be exhausted. Retroactive donations shall not be permitted.
- 29.9 Use Of Sick Leave for Eligible Family Member. In the event an employee becomes eligible for donated leave due to the catastrophic illness of an eligible family member, the employee shall use accumulated sick leave in excess of the 3 days per occurrence once the employee has exhausted all other available paid leave. However, the employee must meet all of the requirements of the donated leave program and submit appropriate medical verification in order to be eligible to use earned sick leave. This is the only situation in which an employee is eligible to use sick leave in excess of 3 days per occurrence due to the illness of an eligible family member.
- 29.10 Application. The recipient employee, recipient employee's family, or other person designated in writing by the recipient employee must submit a written request along with medical verification to the Human Resources Department.
- 29.11 Medical Verification. Medical verification, including diagnosis and prognosis, must be provided by the recipient employee and a copy submitted to Employee Health Services in the Human Resources Department. Employee Health Services shall review the medical verification, consult with the treating physician, and determine whether or not the illness/injury is catastrophic.
- 29.12 Maximum Donation. A recipient employee is eligible to receive a total maximum of 1040 hours of donated leave time during their employment with the City. The amount of

donated leave time available to an employee shall be appropriately prorated for benefited part-time employees.

29.12.1 Increase to Maximum Donation. If an eligible employee exhausts the maximum 1,040 hours of donated leave and if the employee's or eligible family member's catastrophic illness or injury prevents the employee from returning to work, the employee or the employee's designee may apply for an increase of the maximum to 2,080 total hours of donated leave. Application for the increased maximum shall be made to the City Manager through the Office of Employee Relations. The application shall include a recommendation from the Department Director and shall be evaluated based upon the operational impact on the employee's department and subject to re-verification of the medical condition to determine if the illness or injury still qualifies as catastrophic and prevents the employee from returning to work. The denial of an application for an increase to the maximum donated leave is final and is not subject to the grievance procedure.

29.13 Increments. Donations of vacation and/or compensatory time shall be made in increments of full or half (0.5) hours and are irrevocable.

29.14 Conversion. Donations shall be on a dollar for dollar basis. The value of donated leave time shall be calculated at the donor's regular pay rate, then converted to hours of sick leave at the recipient's regular pay rate to the nearest half (0.5) hour to determine the number of hours of sick leave available to recipient. For employees covered by the City's salary continuation insurance plan, use of donated leave will be an offset to benefits in accordance with the provisions of that plan.

29.15 Unused Donations. Unused hours remaining when the recipient returns to work or is separated from employment with the City shall be retained by the recipient. In the event of the death of the recipient while still employed by the City, any donated unused leave time remaining at the time of death will be paid to the recipient's estate at 100% of the value at the employee's final hourly rate.

29.16 Policy Statement. This provision is designed to assist an employee who has exhausted paid leave time due to a critical medical condition of the employee or an eligible family member. This provision allows other employees to donate leave in accordance with the following terms so an employee may continue in a paid status with the City for a longer period of time.
